Presenter

Sue Ghiloni, BS, RN, CDE

Nurse Educator

Joslin Diabetes Center

March 16, 2010 (snow date March 23rd)

Carroll Center for the Blind

770 Centre Street

Newton, MA 02459

Time: 6:00 —7:00 pm: Dinner & networking
7:00 —8:00 pm: Presentation
8:00 —8:30 pm: Questions

Cost: \$25.00, \$30.00 if received later than March 9th Guests \$50.00

Target Audience: Nurses, Dietitians, Pharmacists, Exercise Physiologist, Medical Assistants, Physicians Assistants and anyone involved in patient education.

Goals: To assist the healthcare provider in understanding issues related to Continuous Glucose monitoring (CGM) and interpretation of results and reports

Objectives: At the conclusion of the program the participant will be able to:

1. Describe how CGM work for diabetes
2. Describe when and how CGM would be used in patient management
3. Discuss the use and interpretation of CGM tracings and reports in patient management

To receive educational credit for this program attendee must attend the entire session and complete the evaluation form. Once the evaluation form is completed and turned in, a statement of credit will be issued.

The Approval of this educational offering by AADE does not imply endorsement of specific therapies, treatments, or products discussed in the presentations.

An application for CEUs has been submitted to AADE and ADietA for this program.
